

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF SPECIAL-PURPOSE FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Rhonda Skipper
Tax Collector
Walton County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the special-purpose financial statements of the Walton County, Florida Tax Collector (the "Tax Collector") as of and for the year ended June 30, 2014, and the related notes to the special-purpose financial statements which collectively comprise the Tax Collector's special-purpose financial statements, and have issued our report thereon dated January 15, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's special-purpose financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON AN EXAMINATION
CONDUCTED IN ACCORDANCE WITH AICPA PROFESSIONAL STANDARDS,
SECTION 601, REGARDING COMPLIANCE REQUIREMENTS IN ACCORDANCE
WITH CHAPTER 10.550, RULES OF THE AUDITOR GENERAL**

Honorable Rhonda Skipper
Tax Collector
Walton County, Florida

We have examined the Walton County, Florida Tax Collector's (the "Tax Collector") compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2014. Management is responsible for the Tax Collector's compliance with those requirements. Our responsibility is to express an opinion on the Tax Collector's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and, accordingly, included examining, on a test basis, evidence about the Tax Collector's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2014.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.
