## **TAX COLLECTOR’S OFFICE PROMOTES FAMILY FIRST**

**DeFuniak Springs, FL** (June 14, 2010) – During the month of June, the Tax Collector’s Office is promoting Family First, a statewide organization dedicated to strengthening families. The month long promotion is aimed at raising awareness for the non-profit organization as well as raising funds to assist in launching mother/child and father/child breakfasts at schools across the state.

Visitors to the Tax Collector’s Office have an opportunity to make a \$1 donation to honor their family and be entered in a drawing to win a Tony Dungy autographed football. Additionally, individuals who make a \$10 donation can choose between one of two of Tony Dungy’s books, *UNCommon* or *You Can Do It! A \$20 donation allows an individual to take home both books.*

“I’m excited that my office and staff have an opportunity to promote an organization that is making an impact statewide on families,” said Tax Collector Rhonda Skipper. “I strongly support Family First and their efforts to strengthen the family. “

Family First provides free resources to help parents strengthen their relationships with their children and build stronger families. Four Web sites are available through Family First with tools and resources for parents: familyfirst.net, allprodad.com, iMom.com, familyminute.com.

Additionally, Florida drivers can contribute to this organization by choosing the Family First tag when purchasing their license plate. A portion of the funds from each plate sold are returned to the organization to support operations.
