

DMV Fee Increases As of September 1, 2009

enacted by the 2009 Florida Legislature

The below fees are the State fees associated with each transaction. **Costs below do not include the local service fee for the Tax Collector's Office which varies per transaction and will not increase from the current rate.** All of the fee increases are going back to the State's General Revenue Fund and will not stay locally. For a total cost for a transaction fee, please contact the Walton County Tax Collector's Office at (850) 892-8121.

The fee increases were enacted by the 2009 Florida Legislator and approved by Governor Charlie Crist. Any questions regarding the fee increases should be addressed to your legislator's office.
